 regular form.

49 Moved by Alderman Mc Connell,  
 Seconded by " Whitham  
 That owing to the  
 numerous enquiries for farming  
 and fruit growing lands in the  
 vicinity of Vancouver, be it therefore  
 resolved that Chief Commissioner  
 of Lands and Woods be communi-  
 cated asking for information in refer-  
 ence to the unoccupied portions of  
 Homesteading Lands in this Section  
 Carried.

50 Moved by Alderman Oppenheimer  
 Seconded by " Costello,  
 Whereas an appropriation  
 was made by the legislative Assembly  
 of this Province at its last Session

for the purpose of erecting a Court House  
in the City of Vancouver, and the said  
Legislative Assembly has been respectfully  
asked to Supplement the sum then granted  
to construct a building suitable to the  
present and future wants of a rapidly  
growing City. And this.

And whereas the School accommoda-  
tion of the City of Vancouver is en-  
tirely inadequate to supply the wants of  
the School population, though there are  
now three School houses erected in the  
City, one in the east end, another in the  
west end and the third in the Southern  
part of the City, and the School population  
is rapidly increasing, unless further  
School accommodation be made by  
the Legislature of the Province at the  
present Session there will be hundreds  
of Children of School age who will be un-  
able to attend School during the coming  
year.

And whereas long before another Session  
of the Legislature will be held there will  
be very many more Children in Van-  
couver qualified to attend a High School  
than would entitle us to a High School  
here and whom if no provision is made  
for the erection of such High School will  
be deprived of the power of continuing their  
Studies to their great detriment.

Therefore be it resolved by the Mayor  
and Aldermen of the City of Vancouver  
in Council Assembled,  
That the Legislature of the Province

159  
be informed of the great inconvenience  
which at present arises to the Vancouver  
Debtors in the County Court of the District  
of New Westminster: this Court being only  
held from time to time and with unde-  
fined intervals holden in the City of  
Vancouver, so that complainants with  
their witnesses have frequently to under-  
go the trouble and loss of time and ex-  
penses imposed in a journey to the County  
Court holden regularly ~~at~~ in the City  
of New Westminster.

And furthermore that the Merchants  
and Trades people of the City of Van-  
couver are under the present Circum-  
stances totally at the mercy of debtors  
who intend to abscond by the Sound  
Steamers for the want of the chance of  
immediate steps being taken for the  
prevention of the immediate departure  
of such fraudulent absconders.

And be it further resolved, that His  
Honour the Lieutenant-Governor  
in Council be respectfully requested  
to take into consideration these Griev-  
ances and immediately arrange  
for the permanent residence of a  
County Court Judge in the City of  
Vancouver.

And be it further resolved that the  
Said Legislature be respectfully re-  
quested to place in its estimates a  
Sum sufficient for the erection and  
equipment for a large School house  
to be erected in the central part of  
the City and for the erection and

equipment of a High School in a  
suitable location and for supplying  
teachers therefor.  
And he is further resolved that a copy of  
these resolutions be forwarded to His  
 Honor the Lieutenant Governor in Council  
Carried,  
Consideration of By-Laws.

on the Site now owned by the City for
