No 100.

The Board of works met on Monday March 12th 1888 and beg to report that the communication of Mr Thos. H. Bondell has been duly considered;

we find that the information given by the City Engineer who can substantiate his statement, that the building under erection on the corner of Homer and Cordova Streets is in correct position according to the original plans and we recommend that Mr Bondell be notified to that effect;

we recommend that the City Clerk communicate with Mr Abbotts requesting him to kindly remove the fence on Heasley Avenue to give access to the Vancouver Iron Works, and to construct a crossing across the railway on said Avenue to enable the City to open out the street.

The following accounts are recommended for payment.
