Referred to City Solicitor

From Secretary of Board of Trade asking that a sum be placed in the general loan by-law for building a bridge across False Creek.

Filed.

From James Struthers et al asking
for the improvement of Georgia Street
East of Granville Street.
Referred to Board of works.

From D. J. Silbey et al, asking the
Mayor to call a public meeting to
discuss the bridge question.
Filed.

Reports.

License Committee.

108

The Licensing Board
of the City, at its usual and regular
monthly meeting March 20th 1888, after
duly considering the provisions of
the "Act" respecting the sale of in-
toxicating liquors and the issuance
of licenses therefor now before the
Legislature, most respectfully
report that in their opinion the
regulation of such matters should
be left in the hands of the Councils
of the Cities and Municipalities, giving
them full powers to impose such
license fees as they may deem
sufficient.

It was also further
resolved that the Clerk of the
Licensing Board transmit
copies of the above resolution to the
members of Parliament from
this District at Victoria, which
has been done. J. G. Dillpfeinberger

moved by Alderman
 by Alderman Dougall,
 that the report be adopted
 Carried

Lords.

no.

109

We recommend that the tender of Messrs Boyd and Claudenning be accepted for the improvement of Alexander Street and Beasley Avenue and Messrs Stephenson and Mcbraney's for the improvement of Dupont Street.

We recommend that tenders be called for the following works:

1. For the improvement of Davis Street from Franklin to Seymour,
2. For the improvement of Franklin Street from the bank to Pacific Street
3. For the improvement of Lincoln St.
4. For the burning of the roots and stumps piled beside the streets in certain localities throughout the city.

he recommended that Mr Abbott be notified that the City has let the contract for the improvement of Heasley Avenue from Powell Street to the Shores of Burrard Inlet and that he be requested to make a crossing over the railway track at that point to give access to the foundry; also that the City Engineer be authorized to put in a box drain on Appenheimer Street near the railway crossing and street crossings across Westminster Avenue on Hastings Street;

He would also recommend that doors and windows be placed in the basement of the new hospital at a cost not to exceed one hundred dollars,

Sgd H. Bell. Mayor
Chairman,

Moved by Alderman Clark seconded by Alderman Morrison

That the Report of the Board of Works be adopted,

Carried

By-Laws,

The Council went into Committee to discuss the Loan By-Laws on motion of Alderman Alexander with Alderman Appenheimer in the Chair.

The By-Laws were discussed generally but no decision was arrived at. The Committee rose, and resumed business.
