Be it therefore resolved by the Mayor and Aldermen of the City of Vancouver in Council assembled that we respectfully request the Government of British Columbia to put the said road in a good and possible state of repair at once.

Whereas the Citizens of Vancouver have been placed at a great disadvantage and subjected to much expense in consequence of there being no Registry office here which necessitates their going to New Westminster to have their documents recorded thus causing a delay of three or four months which is frequently a serious loss to all parties concerned.

Therefore be it resolved by the Mayor and Aldermen of the City of Vancouver in Council assembled that we respectfully request

that a Registry office be established, in this
city at once.

And be it further resolved that a copy of this
resolution signed by the Mayor and City Clerk
