The Board of Works met on Tuesday Sept 11th and Saturday Sept 11th and Monday 13th 1886 and submit the following report:-

241 " In accordance with the wishes of the Council we have asked for tenders for Cordova Street and Hastings Street from Howe Street to Westminster Ave and have received the following:-

Cordova Street-

J. A. Gillis	6250	" "

242 to Howe

Wise & Boyd \$10600

William Watkins 13400

Hastings Street from Carroll to Westminster

William Watkins \$4700

William Watkins offers to gravel fair Streets for \$2.20 per cubic yard

And this Board recommend to the Council the acceptance of Messrs Stephenson & McCrany's tender for the improvement of Cordova Street their being the lowest.

243

We have examined the petitions of the property owners on Carroll Street and Cordova Street between Carroll and its conjunction with Howe Street and report to the Council in favor of the petitioners but in the matter of the Hastings Street petition we find the

Cost of the improvements so great when
contracted with the assessed value of the
property that we have referred them back to
the Council for discussion.

We have examined the
following accounts and finding them correct
recommend them to be paid

Brunette Sawmill Co by \$5,40 ⁰⁰	
E. Langhorn	9,00 ⁰⁰
Ayer & Son	10,00 ⁰⁰

As Messrs Cary, Cameron
and McKay, McDougal & Caine low failed
to put up the necessary deposit, the contract
for the improvement on Carroll Street was
awarded to William Perkins the next lowest
tender and first to comply with the conditions
for cash deposit;

Wm. Hamilton
